

NEIGHBORHOOD DESIGN CENTER 2016 GALA

**03.12.16**

**AT OUR NEW HOME  
THE MOTOR HOUSE**

48 YEARS OF DRIVING COMMUNITY CHANGE

### *Since 1968...*

The Neighborhood Design Center has provided access to pro bono design services in under-served communities in Baltimore City and Prince George's County, MD. In collaboration with neighborhood groups, local government agencies and fellow nonprofits, we support locally driven initiatives for neighborhoods pursuing improved quality of life within their built environments.

### *Your contribution and the event...*

Supports programs that provide insight and vision to communities in need, instilling hope for the future of their neighborhoods. **Our Annual Gala celebrates these accomplishments with an emphasis on locally sourced foods, small batch spirits, and dancing on Saturday, March 12<sup>th</sup> from 7:30- 11pm.** The theme pays homage to the building's historic use and restoration. Dress in your favorite vintage attire, and bring your dancing shoes. Past photos of the building and featured projects from this year will be on display. The building will be open to viewing with tours of our new offices and skyline views.

### *Specialized Tax Incentives*

For a limited time, donations over \$500 qualify for the Community Investment Tax Credit. In addition to your normal tax deductions, you will receive an additional tax credit equal to 50% of your contribution. **For more info or to sponsor the event,** please speak with our Finance Manager, Susan Gordon; [sgordon@ndc-md.org](mailto:sgordon@ndc-md.org) (410) 793-4138.

### *Our new home @ the Motor House*

Built in 1914 for Eastwick Motors, Baltimore's first Ford dealership, the Motor House has been home to a surprising array of owners and occupants from car dealers to furniture retailers to arts endeavors. Our event offers a unique peek into the historic renovation of the building and its plans as a neighborhood nexus. For info on the endeavor: <http://www.baltimoreartsrealty.com/>
